

tesa® Double-Sided Adhesive Pads for Transparent & Glass

Product Information

BNR 77731

Product Description

Double-Sided Adhesive Pads for Transparent & Glass. For the temporary attachment of lightweight paper items and decorations.

Product Features

- For lightweight objects like cards or notes
- For short-term applications
- Removable without a trace
- UV-resistant

Application Fields

How to apply – Step by step

1. Start by making sure that the surface is clean and dry. silicone-free window cleaner or methylated spirit work well.
2. Apply the transparent pads first onto your object or the surface.
3. Then simply press your object onto the surface.
4. When you're ready to change things, gently peel the pads from your surface. They won't leave any stains.
